

Swale Friends of the Earth Membership Form

We are a small friendly group with members of all ages and interests. Some members participate in our monthly meetings, some help with the stalls and events we run, others prefer less involvement. Members decide how they want to be involved and that can change over time. We are always pleased to have members who like to write letters, work on stalls, design posters, help at events etc, but sleeping members are also useful. If you would like to discuss how you could be involved, or would like to attend one of our meetings before you become a member, please contact the [membership secretary](#)

Local members do not have to be members of Friends of the Earth UK but if you would like to join the national organisation please click [here](#)

Our membership fees are £5 for one person and £8 for a couple per year. We use the local membership fees to pay for our fees for pitches for stalls, printing and postage costs, promotional materials and our yearly fee to Friends of the Earth UK.

If you would like to join our group please print off this form, fill in it, and post it, with a cheque made payable to Swale Friends of the Earth to
The Treasurer, c/o 1 St. Anns Road, Faversham, ME13 8RQ
